Introducing the intelligent telephony solution for small business. The TC-125 boasts a long list of features usually offered only on expensive business telephone systems -- things like: backlit 3-line LCD with Call Waiting Caller ID, a 70-name-&-number directory, a great-sounding, acoustically enhanced speakerphone, and much more! The TC-125 is a high-quality, professional business grade, multi-function telephone designed specifically for business environments. The TC-125 is the absolute perfect desk set for your TeleCraft telephone system.
